

PROSPECTUS

2011-2012

2 YEAR MBA DEGREE COURSE

**NATIONAL INSTITUTE OF TECHNOLOGY
KURUKSHETRA**

**DEPARTMENT OF BUSINESS ADMINISTRATION
NATIONAL INSTITUTE OF TECHNOLOGY
KURUKSHETRA -136119**

THE INSTITUTE

National Institute of Technology, Kurukshetra (NITK) enjoys the reputation of being a centre of excellence, facilitating quality technical education, research and training. A recent survey placed the Institute among the top twenty engineering institutions in the country. The Institute scored high on all parameters – placement, intellectual capital, infrastructure, industry interface and recruiters' perception.

Established in the year 1963, NITK has made rapid strides towards excellence. A sprawling lush green campus, outstanding infrastructure, state-of-the-art support system, contemporary curriculum and a dedicated faculty provide an enabling environment for quality teaching, learning and research.

LOCATION

Kurukshetra, steeped in history and mythology, is a place of great spiritual significance where Lord Krishna delivered the divine message of *Shrimad Bhagwad Gita*, and from where knowledge spread far and wide. King Harshawardhana aptly chose the place as his capital.

Kurukshetra is located on the Delhi-Ambala section of Northern Railway, at about 160 km from Delhi. The Institute campus is 5 km from Kurukshetra Rail Junction and about 10 km from Pipli, a well-known road junction on the National Highway No.1 (Sher Shah Suri Marg/G.T. Road). The NITK campus is adjacent to Kurukshetra University campus and is accessible through the Main Gate (Gate No. 2) of the University.

FACILITIES

The Institute has excellent facilities like well-equipped class rooms with audio-visual aids, computer centres, conference halls, fully-automated library with access to online resources, including 200 Management journals, hostels for boys & girls, and sports and medical facilities on its residential campus.

MBA PROGRAMME

Responding to an increasing demand for management professionals in the country and keeping in line with its stated goal of regularly adding new courses as a part of its 20-year growth plan, NITK started an MBA programme, effective 2006-07. With the introduction of the programme, the Institute extends its long years of expertise into the field of Business Administration, thus fulfilling its commitment to the business world and the society at large of developing professional managers with varied competencies and ethical values.

In a short span, the MBA program has made a mark for itself. It has all the ingredients of a successful program: a strong curriculum, comparable with the very best; well qualified and dedicated faculty, talented and enthusiastic students; emphasis on case-based interactive study, supported by all modern teaching aids; liaison with industry; active participation in inter & intra-institution competitions etc.

Training & Placement:

- (i) The first batch enjoyed the unique opportunity of receiving Summer Training from reputed Universities/B-Schools and industries in three European countries – Switzerland, Germany & Holland. This exceptional experience helped the students widen their horizon and gain much valued international exposure.**

- (ii) As a result of the Institute's legacy of over 40 years as a premier centre of technical education, its graduates have enjoyed more than 100% placement. We strive to carry this legacy forward in our MBA programme as well.
