

“The research group led by Prof. S. K. Chakarvarti, Professor and Chairman, Department of Physics, got a shot in the arm when it got recognition from the world community of nuclear trackologists and scientists who had assembled at the University of Bologna, Italy for participating in the 24th International Conference on Nuclear Tracks in Solids (ICNTS2008) from Sept.1-5,2008. Two of the paper entries from the group (authored by Dr. Rajesh Kumar et al; Dr. Rishi Pal Chauhan et al) were awarded and placed amongst the top 11 papers presented at the Conference.

Prof. Chakarvarti had been invited to deliver a plenary talk on nanotechnology, besides chairing a session.”
